Thomas, Bjoern,

Last week I had the first meeting with Mark White in Bryan, Texas.

Apart from a number of points that were not quite clear yet neither for me nor for him he clearly said that since he now holds the position of Executive Chairman for Tnow and because he belongs directly to Werner Brand he will now handle all matters regarding budget/forecast/investments for Tnow.

There may continue to be an unlimited exchange of information/reporting with Gerd Oswald's board area, but in principle all responsibilities / decisions from Gerd Oswald's area are to be assigned to Werner Brand/Mark White for the moment.

I have given this explanation specifically to Mark so that we know within Tnow exactly who our contact at SAP is. Since in the past many decisions regarding our forecast/budget have been made by SAP Corporate (Thomas Z, Thomas B, Gerd Oswald) or certain changes have been made directly, it would be good if we all had the same idea how it should work in the future.

I would like to have your feedback on how you see this.

Hello Thomas:

Before the submission of the FC 7 I pointed out to you that the internal charges should be reduced compared to FC 6 (at least for July), since they are unrealistic. Amounts are included here that Albert in the future would like to charge to SAP regarding the Baan service. You have asked me to leave the chargebacks in FC 7 the same as in FC 6. As expected the ACT July chargebacks are considerably lower than in the FC.

Since we place great value on the FC accuracy in Controlling, we should submit realistic figures here in the future!
Only when it is certain that the Baan service can be charged to SAP should this be reflected in the FC!

Best regards,

Björn

Leave chargebacks in FC 7 the same as in FC 6.
We will clarify details in calendar week 30, when Albert is back and in Walldorf.

Thomas, Bjoern,

Letzter Woche haette ich in Bryan, Texas die erste Meeting mit Mark White.

Ausser eine Menge Punkte die fuer mich und Ihm auch noch nicht ganz klar sind, war er sehr deutlich in die Aussage, dass seit dem er die Position von Executive Chairman hat fuer Tnow, und weil er direkt an Werner Brand gehoert, er alle Budget/Forecast/Investment fuer Tnow betreuen wird.

Es kann ohne Beschraenkung weiterhin eine Informationsaustausch/reporting mit Gerd Oswald's Board area stattfinden, aber grundsaeztlich sollen alle Verantwortliche/Entscheidung von Gerd Oswald's bereich fuer das Moment nach Werner Brand/Mark White umgehangt worden.

Ich habe diese Erklaerung spezifisch an Mark vorgelegt, damit wir innerhalb Tnow ganz genau wissen wer unsere ansprechpunkt ist innerhalb SAP.

Da in der Vergangenheit manche Entscheidung im Bezug auf unsere Forecast/Budget von SAP Corporate (Thomas Z, Thomas B, Gerd Oswald) getroffen sind, bzw. Bestimmte abaenderunge direkt durchgefuehrt worden sind, waere es gut dass wir hier jedenfalls alledie gleiche Idee haben wie es jetzt weiter funktionieren soll.

Dazu haett ich gern eure Feedback wie Ihr dies Beobachtet.

Gruess,

Hallo Thomas,

vor der Abgabe des FC 7 habe ich dich darauf aufmerksam gemacht, dass die Internal charges im Vgl. zu FC 6 gesenkt werden sollten (zumindest fuer den Juli), da sie unrealistisch sind. Hier sind Beträge enthalten, die Albert zukünftig gerne bzgl. Baan-Service an SAP chargen möchte. Du hast mich gebeten, die Chargebacks in FC 7 wie in FC 6 zu belassen. Wie zu erwarten war, sind die ACT Juli- Chargebacks wesentlich geringer als im FC.

Da wir im Controlling großen Wert auf die FC accuracy legen, sollten wir in der Zukunft hier realistische Werte abgeben!
Erst wenn gewährleistet ist, dass der Baan-Service an SAP belastet werden kann, sollte dies im FC abgebildet werden!

Viele Grüße

Björn
